**REPORT AND RECOMMENDATION**

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on September 13, 2016, after receiving the written consent of defendant and all counsel. There is no written plea agreement. The agreement is oral. The Government agrees that the plea is timely and will ask for a third-level reduction for acceptance of responsibility if the defendant is eligible. At the hearing, defendant Kevin Allan Roberts entered a plea of guilty to the Indictment charging defendant with felon in possession of firearms and ammunition in violation of 18 U.S.C. § 922(g)(1). On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

Accordingly, I recommend that defendant's plea of guilty to the Indictment be accepted, and that the court adjudicate defendant guilty. Acceptance of the plea, adjudication of guilt, and imposition of sentence are specifically reserved for the district judge.

Date: September 13, 2016
